MOVING FORWARD WITH OUR CURRICULUM

The Curriculum is not inflexible at Our Lady of Grace. The shared vision within the School Development and Improvement Plan records celebrations and areas for action for our curriculum.

The Head Teacher has overall responsibility for the leadership of the curriculum and delegates responsibility to key staff. All teachers have varying degrees of curriculum responsibilities across the school. The governors, curriculum committee, senior leaders, subject leaders and teachers work together to create the best curriculum for our pupils.

Through our curriculum developments, we have created bespoke systems we feel proud of. The team systems which have evolved are to be adapted to continue curriculum development with the following organisation.
