Curriculum Maps are on the class pages per term.

Year 6 will finish Key Stage 2 and complete your child's primary education.

Class Routines

- We are very positive and we try to motivate with lots of praise rather than punish with consequences.
- We have high expectations in terms of pupils' work, attitude and behaviour.
- A warning will be given and sanctions such as missing part of break, speaking to a member of the SLT etc.

Homework

Home work is given out on Wednesday and collected in a week later on Wednesday for marking.

Children will have three pieces of work to complete: maths, SPaG, Reading.

Children also have a reading book to read everyday and bring into school every day. They will read in class at least once a day.

If a child needs any additional help with homework we recommend BBC Bitesize.
