

RELATIONSHIP & SEX EDUCATION

2026

Our Mission Statement

Our Lady of Grace RC Primary School recognises that each member of our community is unique and made in the image and likeness of God. Our School will encourage each member:

Through **WORK**, to develop his or her potential

Through **WORSHIP**, to learn to know and love God and His world

Through **WITNESS**, to proclaim to all the peace, joy and glory of God

As Catholics we live our faith through all aspects of our lives. Our Mission Statement underpins our thinking when implementing this procedure

Commitment to Equality:

We are committed to providing a positive working environment which is free from prejudice and unlawful discrimination and any form of harassment, bullying or victimisation. We have developed a number of key policies to ensure that the principles of Catholic Social Teaching in relation to human dignity and dignity in work become embedded into every aspect of school life and these policies are reviewed regularly in this regard.

In this policy the Governors and teachers, in partnership with pupils and their parents, set out their intentions about relationships and sex education (RSE). We set out our rationale for and approach to relationships and sex education in the school.

CONSULTATION WITH STAKEHOLDERS WITHIN THE SCHOOL

- Consultation with parents (January 2026)
- Review of RSE curriculum content with staff (December 2025)
- Involvement with outside agencies (Ongoing)
- Consultation with school governors (December 2025)

IMPLEMENTATION AND REVIEW OF POLICY

Implementation of the policy will take place after consultation with parents in the Spring Term 2026.

This policy will be reviewed every 2 years by the Head teacher, SLT, RE and PSHE leads and the Governing Body and staff. The next review date is March 2029. Any changes in government guidance and the teaching of RSE would lead to an earlier review.

DISSEMINATION

This policy will be given to all members of the Governing Body, and all teaching and non-teaching members of staff. Copies of the document will be available to all parents through the school's website and a copy is available in the school office. Details of the content RSE curriculum can be found in the appendices of this policy (Appendix 1.)

DEFINING RELATIONSHIP AND SEX EDUCATION (RSE)

The DFE guidance defines RSE as “lifelong learning about physical, moral and emotional development. It is about the understanding of the importance of marriage and family life, stable and loving relationships, respect, love and care. It is also about the teaching of sex, sexuality and sexual health”. It is about the development of the pupil's knowledge and understanding of her or him as a sexual being, about what it means to be fully human, called to live in right relationships with self and others and being enabled to make moral decisions in conscience. The DFE identifies three main elements: “attitudes and values, personal and social skills, and knowledge and understanding”.

RATIONALE

‘I HAVE COME THAT YOU MIGHT HAVE LIFE AND HAVE IT TO THE FULL’ (Jn.10.10)

We are involved in relationships and sex education precisely because of our Christian beliefs about God and about the human person. The belief in the unique dignity of the human person made in the image and likeness of God underpins the approach to all education in a Catholic school. Therefore, our approach to RSE is rooted in the Catholic Church's teaching of the human person and presented in a positive framework of Christian ideals.

At the heart of the Christian life is the Trinity, Father, Son and Spirit in communion, united in loving relationship and embracing all people and all creation. As a consequence of the Christian belief that we are made in the image and likeness of God, gender and sexuality are seen as God's gift, reflect God's beauty, and share in

the divine creativity. RSE, therefore, will be placed firmly within the context of relationships, as it is there that sexuality grows and develops.

Following the guidance of the Bishops of England and Wales and as advocated by the DFE, RSE will be firmly embedded in the PSHE framework, as it is concerned with nurturing human wholeness and integral to the physical, spiritual, emotional, moral, social and intellectual development of pupils.

All RSE will be in accordance with the Church's moral teaching. It will emphasise the central importance of marriage and the family whilst acknowledging that all pupils have a fundamental right to have their life respected whatever household they come from and support will be provided to help pupils deal with different sets of values.

VALUE AND VIRTUES

Our programme enshrines Catholic values relating to the importance of stable relationships and family life. It also promotes those virtues which are essential in responding to the God's call to love others with a proper respect for their dignity and the dignity of the human body.

AIM OF RSE AND THE MISSION STATEMENT

Our school's Mission commits us to the education of the whole child (spiritual, physical, intellectual, moral, social, cultural, emotional) and we believe that RSE is an integral part of this education. Furthermore, we aim, through high quality teaching and a carefully structured curriculum, to provide a rich range of learning experiences that allow skills and knowledge to flourish, take flight and live long in the memory, equipping the children for life in the wider world. In partnership with parents, we provide children with an education that is compatible with their physical, cognitive, psychological, and spiritual maturity, and rooted in a Catholic vision of education and the human person.

OBJECTIVES

To develop the following attitudes and virtues:

- reverence for the gift of human life;
- respect for the dignity of every human being – in their own person and in the person of others;
- joy in the goodness of the created world and their own bodily natures.
- responsibility for their own actions and a recognition of the impact of these on others;
- celebrating the gift of life-long, self-giving love;
- recognising the importance of family;

To develop the following personal and social skills:

- making sound judgements and good choices which have integrity and which are respectful of the individual's commitments;
- loving and being loved, and the ability to form friendships and loving, stable relationships free from exploitation, abuse and bullying;
- managing emotions within relationships, and when relationships break down, with confidence, sensitivity and dignity;
- managing conflict positively, recognising the value of difference.
- cultivating humility, mercy and compassion, learning to forgive and be forgiven;
- developing self-esteem and confidence, demonstrating self-respect and empathy for others;

- building resilience and the ability to resist unwanted pressures, recognising the influence and impact of the media, internet and peer groups and so developing the ability to assess pressures and respond appropriately;
- assessing risks and managing behaviours in order to minimise the risk to health and personal integrity.

To know and understand:

- the Church's teaching on relationships and the nature and meaning of love;
- the Church's teaching on marriage and the importance of family life;
- the centrality and importance of virtue in guiding human living and loving;
- the physical and psychological changes that accompany puberty;
- the facts about human reproduction

INCLUSION AND DIFFERENTIATED LEARNING

We will ensure RSE is sensitive to the different needs of individual pupils. For example, sexual orientation, faith or culture and is taught in a way that does not subject pupils to discrimination. Lessons will also help children to realise the nature and consequences of discrimination, teasing, bullying and aggressive behaviors (including cyber- bullying), use of prejudice-based language and how to respond and ask for help.

INTEGRATION AND BALANCE

Our well-being focuses on exploring our individual relationship and special journey with God. This encompasses how we love and care for one another and how we also live and love in our local community and the wider world. We celebrate love for ourselves and each other, and of the national, regional, religious and ethnic identities in the UK and wider world.

SENSITIVE ISSUES

There will always be sensitive issues in the field of RSE. The governors believe that children are best educated, protected from harm and exploitation by discussing such issues openly within the context of the RSE programme. The use of ground rules, negotiated between teachers and pupils, will help to create a supportive climate for discussion. Some questions may raise issues which it would not be appropriate for teachers to answer during ordinary class time.

EQUALITIES OBLIGATIONS

The governing body have wider responsibilities under the Equalities Act 2010 and will ensure that our school strives to do the best for all of the pupils.

PARENT AND CARERS

We recognise that parents and carers are the primary educators of their children. As a Catholic school, we provide the principal means by which the Church assists parents and carers in educating their children. They will be informed by letter when more sensitive aspects of RSE will be covered in order that they can be prepared to talk and answer questions about their children's learning. These sensitive aspects are highlighted yellow in Appendix 1.

Parents have been consulted before the implementation of this policy. The aim of the consultation process was that every parent and carer has full confidence in the school's RSE programme to meet their child's

needs.

Parents have the right to withdraw their child from RSE, except those elements which are required by the National Curriculum science orders. Should parents wish to withdraw their children, they are asked to notify the school by contacting the headteacher.

CONTENTS OF RSE

We believe that the controlled environment of the classroom is the safest place for this curriculum to be followed.

Our Lady of Grace will follow the Ten:Ten *Life to the Full* Scheme of Work in Relationships and Health Education (RHE) for Catholic primary schools, which embraces and fulfils the statutory curriculum. Delivered through a spiral approach to learning, children will revisit key topics at an age-appropriate level throughout their school journey. The programme covers personal health, physical and emotional wellbeing, strong emotions, private body parts, personal relationships, family structures, trusted adults, growing bodies, puberty, periods, life cycles, the dangers of social media, where babies come from, the concept of the Common Good, and living in the wider world. Rooted in a religious understanding that our deepest identity is as children of God—created, chosen, and loved by Him—the programme is fully inclusive of all children and their families.

The PSHE Programme will be an integral part of the learning process and it will:

- Provide information and experiences which are easy to understand, relevant and appropriate to the age of the children.
- Ensure that opportunities are provided for children to develop communication and social skills.

The main resources/opportunities are:

- Ten:Ten - Life to the Full
- Guidance from the CES and the DfE
- Religious Education scheme of work
- National Curriculum
- Links with external agencies (NSPCC, School Nurse, SEND Team, Ed Psych)
- Wellbeing and Pastoral Support Reviews

Teacher assessments are completed using the school's assessment system, with any identified areas of concern promptly addressed through targeted support.

ROLES AND RESPONSIBILITIES FOR THE RSE CURRICULUM

The school will decide which members of staff will deliver the content of the RSE curriculum. In most cases, this will be the class teacher. Where more sensitive topics are studied, the school may choose specific teachers to lead sessions, and if deemed appropriate, separate boys and girls within the classroom. However, all staff will be involved in developing the attitudes and values aspect of the RSE programme. They will be role models for pupils of good, healthy, wholesome relationships as between staff, other adults and pupils. They will also be contributing to the development of pupils' personal and social skills.

Governors:

- Consult with parents and teachers to draw up the RSE policy;
- Ensure that the policy is available to parents;

- Ensure that the policy is in accordance with other whole school policies, e.g., SEN, the ethos of the school and our Christian beliefs;
- Ensure that parents know of their right to withdraw their children;
- Ensure that the policy provides proper and adequate coverage of relevant National Curriculum science topics and the setting of RSE within PSHE.

Head teacher:

The Head teacher takes overall delegated responsibility for the implementation of this policy and for liaison with the Governing Body, parents, the Diocesan Schools' Service and the Local Education Authority, also appropriate agencies.

PSHE/RSE/RE coordinator:

The coordinator with the head teacher has a general responsibility for supporting other members of staff in the implementation of this policy and will provide a lead in the dissemination of the information relating to RSE and the provision of in-service training.

All Staff:

RSE is a whole school issue. All teachers have a responsibility of care; as well as fostering academic progress they should actively contribute to the guardianship and guidance of the physical, moral and spiritual well-being of their pupils. Teachers will be expected to teach RSE in accordance with the Catholic Ethos of the school. Appropriate training will be made available for all staff teaching RSE. All staff have been included in the development of this policy and all staff should be aware of the policy and how it relates to them.

RELATIONSHIP TO OTHER POLICIES AND CURRICULUM SUBJECTS

This RSE policy is to be delivered as part of the PSHE framework. It includes guidelines about pupil safety and is compatible with the school's other policy documents:

- Behaviour & Anti-Bullying Policy
- Safeguarding Policy
- SEND Policy
- Religious Education Policy
- Prayer & Liturgy Policy
- Teaching methods will be adapted to meet the varying needs of children, where appropriate.

CHILDREN'S QUESTIONS

The governors want to promote a healthy, positive atmosphere in which RSE can take place. They want to ensure that pupils can ask questions freely, be confident that their questions will be answered, and be sure that they will be free from bullying or harassment from other children and young people.

SUPPORTING CHILDREN AND YOUNG PEOPLE WHO ARE AT RISK

Children need to feel safe and secure in the environment in which RSE takes place. Effective RSE will provide opportunities for discussion of what is and is not appropriate in relationships. Such discussion may well lead to disclosure of a safeguarding issue. Teachers will need to be aware of the needs of their pupils and not let any fears and worries go unnoticed. Where a teacher suspects that a child or young person is a victim of or

is at risk of abuse they are required to follow the school's safeguarding policy and immediately inform the designated senior member of staff responsible.

CONFIDENTIALITY AND ADVICE

All governors, all teachers, all support staff and all parents must be made aware of this policy, particularly as it relates to issues of advice and confidentiality.

All lessons, especially those in the RSE programme, will have the best interests of pupils at heart, enabling them to grow in knowledge and understanding of relationships, developing appropriate personal and social skills and becoming appreciative of the values and attitudes which underpin the Christian understanding of what it means to be fully human.

Pupils will be encouraged to talk to their parents and carers about the issues which are discussed in the programme. Teachers will always help pupils facing personal difficulties. Teachers should explain to pupils that they cannot offer unconditional confidentiality, in matters which are illegal or abusive for instance. Teachers will explain that in such circumstance they would have to inform others, e.g., parents, head teacher, but that the pupils would always be informed first that such action was going to be taken.

MONITORING AND EVALUATION

The PSHE/RSE coordinator will monitor and evaluate the provision and the current scheme of work at regular intervals. The results of the evaluation will be reviewed and any requirement to amend will result in consultation with the head teacher and governors. Governors remain ultimately responsible for this policy.

APPENDIX 1

Ten:Ten
Resources

TEN:TEN PROGRESSION OF SKILLS

- **Module 1: Created and Loved by God**
- **Module 2: Created to Love Others**
- **Module: 3: Created to Live in the Community**

**Modules numbers do not reflect at what point in the year they are taught*

Module 1				
	EYFS	Key Stage 1	Lower Key Stage 2	Upper Key Stage 2
Unit 1 <i>Religious Understanding</i>	Children can express that: <ul style="list-style-type: none"> - We are created individually by God as part of His creation plan - We are all God's children and are special - Our bodies were created by God and are good. We can give thanks to God 	Children can express that: <ul style="list-style-type: none"> - We are created individually by God - God wants us to talk to Him often through the day and treat Him as our best friend - God has created us, His children, to know, love and serve Him in this life and forever – this is our purpose and goal and will bring us true happiness - We are created as a unity of body, mind and spirit: who we are matters and what we do matters - We can give thanks to God in different ways 	Children can explain that: <ul style="list-style-type: none"> - We are created individually by God who is Love, designed in His own image and likeness - God made us with the desire to be loved and to love and to make a difference: each of us has a specific purpose (vocation) - Every human life is precious from the beginning of life (conception) to natural death - Personal and communal prayer and worship are necessary ways of growing in our relationship with God - In Baptism God makes us His adopted children 	Children can explain that: <ul style="list-style-type: none"> - We were created individually by God who cares for us and wants us to put our faith in Him - Physically becoming an adult is a natural phase of life - Lots of changes will happen during puberty and sometimes it might feel confusing, but it is all part of God's great plan and the results will be worth it

			<p>and 'receivers' of His love</p> <ul style="list-style-type: none">- By regularly receiving the Sacrament of Reconciliation, we grow in good deeds (human virtue)- It is important to make a nightly examination of conscience
